EDUCATION

University of Illinois Urbana-Champaign

B.S. Mechanical Engineering

Urbana, IL

Expected May 2030

- Coursework: Computer-Aided Design (ME 170), Calculus III (MATH 241), General Chemistry (CHEM 102/103)

Hinsdale Central High School

High School Diploma

Hinsdale, IL

May 2026

- GPA 3.95/4.00 unweighted; ACT 36; 14 AP courses including Calculus BC, Physics C (Mechanics and E&M), Computer Science A, Multivariable Calculus Honors
- Honors: DuPage County Farm Bureau Scholarship, Young Scholar Scholarship, National Spanish Exam Gold Honor

EXPERIENCE

Founder

Elimenti

2026 – Present

Hinsdale, IL

- Design, hand-code, and deploy static marketing sites (HTML, CSS, JavaScript, Git, Cloudflare Pages) for DuPage County businesses; projects scoped from \$3,000
- Signed ABN Construction Group to a recurring maintenance and editing agreement at \$85/hour; delivered 15 onboarding hours and invoiced on net-15 terms
- Own the full engagement: cold outreach, scoping, contracting, build, deployment, invoicing, and post-launch support

AI Research Intern

Fermi National Accelerator Laboratory

July 2026 – Aug. 2026

Batavia, IL

- Built “Limiting AI Hallucinations with Semantic Knowledge Graphs,” translating accelerator system documentation into OML ontologies loaded into a SPARQL endpoint
- Gave large language models tool-based query access to the graph so answers came from retrieval instead of generation, reducing hallucination on technical documentation questions

Founder

Vitesse Automotive

2024 – 2025

Hinsdale, IL

- Built an automotive apparel brand and media channel to 20M+ organic views and over 2,000 fans with no outside funding
- Ran a structured A/B test across 64 posts over 8 weeks to isolate the content patterns driving engagement growth, then rebuilt the posting strategy around the results

Creative Director (Freelance)

Burdi Clothing

2024 – Present

Hinsdale, IL

- Lead brand identity, social media strategy, and event marketing for a high-end Italian menswear boutique
- Direct and produce short-form video content and manage the content calendar end to end

Research & Design Intern

Northwestern University Transplant Center

May 2025 – Aug. 2025

Chicago, IL

- Synthesized clinical trial literature in PubMed and EndNote and presented findings to a panel of 30+ transplant physicians

LEADERSHIP & ACTIVITIES

Co-Founder & Creative Director

Red Devils Garage

2024 – 2025

Hinsdale, IL

- Grew a student car club to 60+ members and built the operating structure behind its events
- Produced a charity meet coordinating 200+ vehicles and raising \$10,000+ for HCS Family Services

TECHNICAL SKILLS

Engineering & Technical: Autodesk Fusion 360, HTML, CSS, JavaScript, Java, SPARQL, OML ontology modeling, Cloudflare Pages

Tools: Figma, HubSpot, Wave, Claude Code, Git, Google Workspace

Business: Cold outreach and sales, client scoping and contracting, content strategy, creative direction, brand identity
